

## **Reece Warren**

### **Fall 2021 Sibberson Award Finalist**

#### **College of Arts and Sciences**

Reece is graduating with a Bachelor of Science degree in Biology. He plans on continuing to work at minor med PA urgent care clinic and shadowing physicians at the Topeka veteran's affair medical center as well as volunteering within the Topeka veteran's affair medical center. In the future Reece plans on attending medical school in the pursuit of a medical degree where he can use credentials and training to better the lives of those in need.

Reece is a member of the Beta Beta Beta Biological honor society, was nominated for Phi Kappa Phi honor society and is a member of Sagamore Honor society where he served as the president for two years. He has served on Washburn's Intra-Fraternity Council as a delegate and was a member of Washburn Universities CAB crew. He is an active member of the Sigma Phi Epsilon fraternity on campus and served as the vice president of the fraternity as well as served as a mentor for fellow members to help improve their grades and bring structure to their academic careers. During his time in the fraternity, he was awarded the Greek Man of the Year award in 2020 and participated in service events such as Race Against Breast cancer, Race Against Domestic violence, Festival of Trees, Washburn's Big event as well as participating at Harvesters.

During his time as Vice President of Sigma Phi Epsilon in the fall of 2018 to the fall of 2019 Reece was responsible for the planning of large charity events with the help of other event coordinators such as Race against Breast Cancer and Topeka's festival of trees as well as Sigma Phi Epsilon's own charity week where all proceeds are sent to Topeka's Big Brother Big Sister foundation to help support children in need of a strong mentor.

Reece received the Meinershagen Senior Scholarship award, the Joss WEA scholarship, Conard/Frising Scholarship, Millice Pre-Med School WEA scholarship, all awarded through the biology department. Through Washburn University he was awarded the Givens WEA scholarship, the A. Thomas WEA scholarship, an academic scholarship and was a Richey Scholarship finalist his freshman year. He was also awarded with Sigma Phi Epsilon's in house Hawkins scholarship.
