

Chloe Howell

Harmony Hines School of Nursing

Bachelor of Science in Nursing

Chloe's future plans include pursuing a career at the Stormont Vail NICU to care for infants. Within the community of Topeka, she has been involved as a volunteer for the Stormont Vail NICU, Harvesters, and the Helping Hands Humane Society. Chloe has been enlisted in the Kansas Air National Guard since March of 2021 as an aircraft maintainer, where she has had the opportunity to mentor and lead trainees. One fun fact about Chloe is that she lived in a hotel in Guam for just over 3 months, which was her first and only time ever leaving the states!
