

School of Applied Studies Scholarships

Students can apply for scholarships from the School of Applied Studies (SAS), which awards thousands of dollars each year. To be eligible for SAS scholarships, you must apply and be accepted to Washburn University, be declared in a School of Applied Studies program and plan to attend Washburn the full academic year.

The SAS scholarship application deadline is February 15. Students submitting a complete application packet by the deadline will be considered for any/all SAS scholarships for which they are eligible. Contact the SAS Dean's Office at 785.670.1282 for more information.
