

# CH 390 Undergraduate Research Project Selection

## Prior to selecting a Research Mentor

1. Students must set up a research conference appointment to talk with all tenure track faculty members about the individual faculty member's research projects.
2. Verify completion of the conference by obtaining the signatures of each faculty member on this form.
3. Provide the name of the faculty member who will serve as research director and title of research project on this form and obtain the directors initials on the project.
4. Submit the completed form to the departmental chair.

## Faculty Signatures

---

Dr. Seid Adem

---

Dr. Hoang Nguyen

---

Dr. Allan Ayella

---

Prof. Holly O'Neil

---

Dr. Sam Leung

---

Dr. Shaun E. Schmidt

Student's Name: \_\_\_\_\_

Research Mentor's Name: \_\_\_\_\_

Title of Project: \_\_\_\_\_

---

**Safety Requirement:** Regardless of your research interest, all students must attend the General Laboratory Safety Training, which includes proper storage of hazardous waste, at the beginning of the semester and before doing any laboratory activities. Please contact the laboratory supervisor, Vickie Davidson, for the specific date and time of this training. When your instruction is complete, have the Laboratory Supervisor sign. Return this form to the department prior to beginning research.
