

Faculty Senate Action Item

Date: October 30, 2007 Number: 07-08

Subject: Administrative responsibility for the Washburn Transformational Experience

Description: Washburn University's Vice President for Academic Affairs is responsible for the administration of the Transformational Experience, but he or she shall seek the advice and counsel of the Faculty Senate in doing so.

Comment: It is important that there be a determinate officer responsible for the administration of the WTE; currently, this responsibility is not clear. This agenda item clearly indicates such responsibility, but also makes it clear that the Washburn Faculty, through their Faculty Senate, must be consulted in such administration.

Requested Action: Faculty senate approval (as outlined above)
