General Information: Change Deletion

1. Reason for this program change or deletion?

The general education component comprising the current KN>BEEd>Physical Education Teaching degree was constructed several decades ago. There are certain course requirements contained within this format that are restrictive to our students and we wish to provide more flexibility in this degree. In addition, we wish to incorporate a foreign language requirement into this degree.

2. Complete revised description (including program title, requirements, courses within program, credits, and prerequisites).

See attached documentation showing the old Gen Ed requirements and the proposed new Gen Ed requirements. The highlighted areas are where the proposed changes are being made.
