 - b. President Coulter: They do pay it; it is just not our money.
 - v. Senator Smith: Expressed confusion about why applications would go to IA right away since Chief of Staff gets it first.
 - a. Newfer: It was changed because the speaker is a part of senate where the Chief is not.

 - c. Chief of Staff Crim: It currently goes to Chief, President, and Speaker where they will review it and determine if it acceptable to send to IA.

 - vi. Sharp: That is time.
 - a. Senator Smith: Moves to extend the forum
 - b. The motion is seconded.
 - vii. Senator Smith: So, is it the goal for the speaker to be the one that approves them, and then it goes to internal affairs? That would be redundant as that already occurs in internal affairs.

 - viii. Senator Bourell: Motions to move out of public forum.

- a. The motion was seconded.

IX. Public Forum III:

a. Spring Election Board Creation

- i. Presented by President Coulter.
- ii. General Elections happen every spring after the President and VP gavel out. Unless you run again, you will be gaveled out as well. Everyone has to run for the next administration. You can run for elections by picking up a packet in order to be put on the ballot. There are 27 open seats and there are many ways you can file. It is one person per student organization.
 - a. Senator Smith: If you are the vice president, can you use the organization
 - b. President Coulter: Yes
- iii. To be put on the ballot, you must have a 2.0 GPA and enrolled in 6 credit hours. Campaigning starts tomorrow and if you don't turn in the packet, you will not be on the ballot. Campaign season is February 12th-March 12th.
 - a. Director Redington: Can you talk about campaigns in the office.
 - b. Coulter: That will come later in the presentation.

 - a. President Coulter: Probably not.
- viii. President Coulter: Posters must be taken down after voting. And no campaign materials next to polling locations. We are capped at 20 posters. No gift giving.
- ix. Director Redington: Is there an elections board stamp
 - a. President Coulter: No. The board just must respond to concerns from others.
- x. President Coulter: Elections board is here to make sure candidates do not go against the election policies. If you do

not follow the rules, the election board will have a meeting with you. They cannot force you to do things, but they have to address them.

- xi. President Coulter: The elections board consists of 7 people. No member on the board can be a student running in any upcoming election. If senators would like to be on the board but still be in WSGA, they can fill out an open seat application. President Coulter will be on the board but will not be able to vote.

 - i. Presented by chairperson Brungardt

 - iii. Senator Smith: He does not feel comfortable passing this bill without Director Ginn present.
 - iv. Vice Chairperson McGill: Asks if Chairperson Brungardt spoke with Director Ginn.
 - a. Brungardt: Yes, Director Ginn doesn't see a problem with this as it will be very casual.
 - b. Vice Chairperson McGill: Would this make funding slower as allocations typically has many questions for student organizations.
 - c. Brungardt: She doesn't see people not wanting to come to senate and this would speed up committee.

- v. Senator Lloyd: Meeting with student organizations does not take much time. He moves to previous question
 - a. The motion is seconded.
 - b. Division is called.
 - c. The motion has failed.
- vi. Senator Smith: If the conversations are short, then this process shows that the allocations committee could be irrelevant.
- vii. Vice Chairperson McGill: Is there a way to amend the bill to say people can submit a statement if they are not able to show up?
 - a. Brungardt: It is implied in the bill.
 - b. Senator Stevens: Yields time to President Coulter.
 - c. President Coulter: Our director has been out for an entire week and has many trips coming up. She does not have much time to meet with organizations.
- viii. Senator O'Leary-Worsley: Can we bring this to new organizations.
 - a. Brungardt: People must sign a paper saying they understand the funding policy. This opens up the option for written statements and doesn't force them
- ix. Vice Chairperson Motes: Yields time to Director Newfer.
 - a. Even in real life, not everyone has to be there to speak. He supports this and if the budget director does not have time, that should be a separate matter.
 - b. Vice Chairperson Motes: Reclaims his time.
 - i. Moves to the previous question.
 - ii. Waives standing senate rules.
 - iii. Division.
 - iv. Motion fails.
- x. Senator Bourell: Likes when people come to talk to us and when they see where the money goes. Thinks today was pointless as we didn't get to see the faces of our student organizations.
- xi. Senator Adhikari: Will this bill be changed for the next administration if it fails today.
 - a. Yes.
- xii. Speaker Giles: Agrees with Bourell that organizations coming in should be the choice of the students.
- xiii. Chairperson Ross: Yields time to Newfer.
 - a. Newfer: This is other people's money and thinks we

should do whatever is easier for the organizations. He thinks they should have the choice as we are working for them.

b. Ross: Reclaims Time.

c. Ross: He thinks it allows them the right to choose. He doesn't want to force people to come here.

SENATE BILL 2025-26 #171

TITLE: Written Statement Integration

ORIGINATOR: Chairperson Brungardt

SPONSOR: Chairperson Brungardt

STATUS: Allocations Committee – Pending

WHEREAS, Washburn University houses a robust collection of Student Organizations, many of which are familiar with the WSGA Funding Policy and regularly request funding, this has only increased with recent improvements to our abilities to allocate funds, such as the Direct Funding Process; and

WHEREAS, this has created scheduling challenges in giving each of the requesting organizations the time they deserve to present their requests to the committee, even when many requests are fully in line with our Funding Policy and need little to no elaboration; and

WHEREAS, the WSGA Senate can and should create alternative processes in our Funding Policy that maximize both the time of committee members and Student Organization representatives while also making our services more accessible to students.

THEREFORE, BE IT ENACTED BY THE WSGA SENATE:

SECTION ONE: The purpose of this legislation is to create an accessible avenue for Student Organizations requesting funds by allowing them to submit written statements with their requests. The current Funding Policy dictates that a Student Organization representative must attend the Allocations Committee, even if they submit a funding request that is fully in line with the Funding Policy. This change creates an option for Student Organizations to explain their request in a way that may be more suitable for their schedule.

SECTION TWO: The following revisions to the Funding Policy will be adopted as amendments to the applicable sections in Chapter 4. Approval of the policy (highlighted language will be added to the current policy):

- c. The legislation will be required to proceed through the process outlined below:
 - 1. The requesting student or a representative from the requesting organization will be required to attend to speak on the bill in The Allocations Committee and Full Senate meeting immediately following their request submission. This student or organization representative cannot be a sworn-in member of the WSGA.
 - a. The Student Organization representatives will not be required to attend to speak on the bill in The Allocations Committee and Full Senate meeting if:
 - i. Prior to the submission of funding request paperwork to the Budget Director, a representative for the organization meets with the Budget Director to review the details of their request.
 - a. In this meeting, the Budget Director will aid the Student Organization representative in ensuring the request follows the Funding Policy and includes all pertinent

details to the subject of the request. The Budget Director should also address any concerns they could anticipate the committee having with the nature of the request.

- ii. Following this meeting, the organization representative shall include a written statement addressing these concerns and/or other information they wish to disclose to the Allocations Committee with the required funding request paperwork they submit to the Budget Director.
- iii. This request will be subject to the same process as other funding requests, and the Allocations Committee reserves the right to summon the Student Organization representative to the next Allocations Committee if they find the written statement is not sufficient.

SECTION THREE: Responsibility

1. Within two weeks of this bill's passage by the WSGA Senate:
 - a. The Legislative Research Director will ensure that the Funding Policy is updated and redistributed.
 - b. The Budget Director will inform all requesting organizations of this change throughout the Spring 2026 semester and will ensure that both the Student Grant request form and the Student Organization request form both reflect these changes.
 - c. The Communications & Marketing director will inform the student body of these changes through the applicable communications mediums. This includes but is not limited to: social media posts, the blinky board, and direct communications with Student Organization representatives.

SECTION FOUR: This legislation shall become effective upon passage by the WSGA Senate, subject to the veto power of the WSGA President as outlined in the Constitution.
